

# EXPANSION

## COMMUNITY OPEN HOUSE

**Markham Stouffville Hospital is Under Construction!**

Our new facility will double the size of the hospital and include an expanded Emergency Department, Diagnostic Imaging Centre, Mental Health program and Maternal Child program as well as over 100 new inpatient beds and eight new operating rooms!

Join us at our Community Open House for a brief presentation to learn more about our expansion project and what it will mean for you and your family.

Following the presentation, visit the cafeteria for more information on some of the hospital's programs and services and more expansion information.

*We look forward to sharing our excitement with you!*
